

Vendor Due-Diligence Questionnaire

*The questions a school's procurement and IT/data-protection teams
usually ask – answered in advance.*

Pre-completed 2026-05-24 · ask anything not covered to dpo@theenglishhub.app

A. Company

Legal entity	Upskill Energy Limited, trading as The English Hub
Company number	16511479 (England & Wales)
ICO registration	ZC016690
Registered office	Available to your procurement team on request (not published)
Primary contact	Calum Johnson, Founder & DPO — dpo@theenglishhub.app
Years trading / stage	Launch stage; founder-led

B. Data protection

Are you a controller or processor for school data?	Processor; the school is the controller. DPA provided (Document 02).
Is a DPO appointed?	Yes — Calum Johnson, dpo@theenglishhub.app (voluntary appointment; not mandatory under PDPPL)
Do you maintain a RoPA?	Yes (UK GDPR Article 30) — available on request
Have you completed DPIAs?	Yes — three: children's data, AI features, analytics
Lawful basis for processing student data?	Contract (service delivery) + explicit consent (AI processing) + verifiable parental consent for under-13s
Where is data stored?	Primary database in the EU (Supabase, Frankfurt); backend on Microsoft Azure UK South; AI inference in the US (Anthropic). Full topology in Document 06.
International transfer mechanism?	Provider SCCs / UK addendum; for Qatar residents, explicit PDPPL Article 17 consent at sign-up naming each destination
Data-subject-rights response time?	30 calendar days; self-service export / deletion / consent withdrawal in-product
Retention & deletion policy?	Document 05; 48-hour exit pack on request

C. Children's data

Do you comply with the ICO Children's Code?	Yes — high-privacy defaults enforced in code for all under-18s; strict test coverage ages 11–17
Minimum age?	11. Ages 11–15 require a parent/guardian email; under-13s require verifiable parental consent (UK GDPR Art. 8)
Targeted advertising to minors?	None. No behavioural profiling of minors for commercial purposes.
Can a parent see their child's essays?	No — parents see progress summaries (modules, time, working-at grade), never essay text
Safeguarding process?	Designated Safeguarding Lead appointed; disclosures in essay content routed to the DSL within 24h. Document 08.

D. AI

Which AI provider do you use?	Anthropic (Claude) — the only LLM provider; code-verified. No OpenAI or other model.
What data is sent to the AI?	Essay free-text, question text, exam board + year. No name, email, date of birth or school.
Is student data used to train AI models?	No — our contractual position prohibits training on submissions. The counter-signed AI DPA + written zero-retention confirmation are being finalised with counsel (Document 03).
Is AI marking the final grade?	No — AI marking is formative; teachers remain the final authority. Any AI-marked essay can be escalated to human review.
Is there human oversight?	Yes — teacher override on every essay; safeguarding-relevant content routed to a human within 24h.

E. Information security

Encryption in transit / at rest?	TLS 1.3 in transit; AES-256 at rest; Argon2id password hashing
Access control?	Row-level security; least-privilege staff access with SSO + MFA; quarterly access review; audit logging
SSO for schools?	Google Workspace / Microsoft 365 SSO supported on annual deployment
Penetration testing?	Not yet independently pen-tested; on the security roadmap alongside ISO 27001
Certifications held?	ICO registered. Not yet ISO 27001 / Cyber Essentials Plus / NIA certified (honest status; roadmap in Document 04)
Breach notification?	Within 72 hours to the school; runbook + pre-filled regulator templates held
Cyber insurance?	Available to confirm to procurement on request

F. Service & commercial

Uptime / hosting?	Hosted on Vercel + Supabase + Microsoft Azure — enterprise-grade providers with their own SLAs
Support model?	Founder-level support within 24 working hours during a pilot
Contract length / lock-in?	Pilot is one term, no auto-renew, no minimum term, no clawback
Exit / data portability?	48-hour exit pack: full export + deletion confirmation + audit certificate
Pricing?	Pilot from £2,500 (year group) / £4,000 (department) / custom. Annual from £6,000 / £12,000 / custom from £25,000.
