

Kickoff Agenda & Success Criteria

The Week-1 calls, and the written record of what the pilot will be judged on.

Academic kickoff – 30 minutes

MIN	ITEM
0–5	Confirm scope, year groups, teacher list, project owner
5–15	Upload the student roster; create class structures (exam board / teacher / year group)
15–22	Walk the teacher dashboard, the student submission flow, and AI marking output
22–28	Agree and record the success criteria (table below)
28–30	Confirm the mid-review and close-out dates; agree the department briefing

DPO call – 30 minutes (separate, same week)

MIN	ITEM
0–10	Walk the DPA (Document 02), sub-processor register (03), security statement (04)
10–20	Retention & deletion (05), compliance summary (06), the pre-answered DDQ (07)
20–28	Any school-specific questions; confirm lawful basis + parental-consent position
28–30	Agree any follow-ups; confirm the DPO is satisfied to proceed

Success criteria – agreed and signed in Week 1

Complete the target column with the project owner. These defaults are a starting point; adjust to what matters most to your department. The pilot is judged against this table at close-out. **If the agreed criteria are not met, the school is under no obligation to proceed and owes nothing beyond the pilot fee.**

METRIC	DEFAULT TARGET	AGREED TARGET	RESULT
Department adoption (teachers active by Week 4)	≥ 70%	_____	_____
Median marking turnaround for the practice cohort	From ≥ 7 days → under 1 hour	_____	_____
Student time on platform per week (active students)	≥ 25 min	_____	_____
Parent weekly-email open rate	≥ 40%	_____	_____
Teacher NPS at close-out	≥ +30	_____	_____
[School-specific criterion]	—	_____	_____

Sign-off
